

SIMPLY BAMBOO

Naturally Green

Anti-Bacterial Material

Eco-Friendly Fiber

MACHINE OR HAND QUILT
UP TO 8" APART

Made with the Softest Bamboo Fiber
NO CHEMICALS - NO BLEACHING

We recommend pre-washing prior to use. Hand wash and dry naturally. Use cool water and mild detergent, soak for 15 minutes, squeeze out excess moisture by rolling in a dry towel.

Dry naturally by laying flat.

Shrinkage less than 5%. Do not machine wash or dry batting before quilting. If prewashing batting is not desired, we recommend that directly after completing your quilt, batting should be machine washed with mild detergent and dried on the delicate cycle, or hand washed and dried naturally. This will give your quilt the perfect antique - wrinkled look.
