Workshop Fee: \$100 per day

IntelliQuilter – Customizing the Easy Way

Date: Wednesday, December 4, 2019, 8:30AM – 4:30PM (Lunch on your own)

Cost: \$100

Teacher: Joyce Blowers

Location: American Legion Hall, 207 Robins Rd, Hiawatha, IA

Description: Pantos are fast, easy, and give beautiful results. However, with IQ's many customization and editing features, there is so much more that can be done on a quilt without spending a lot of extra time. Go beyond pantos. Learn custom quilting techniques that are not time intensive, easily create no-sew zones, learn how to create interesting patterns, effectively use a clipping block, use path pattern to create designs and perfect borders and sashings, and more. Hands-on.

Supply List: IQ tablet, stylus, charging cord, notebook.

Questions: Write down questions ahead of the class to turn in so they can be covered. Feel free to bring an IQ quilt to show, or quilt project you have questions on.

Getting Started with Quiltmagine

Date: Thursday, December 5, 2019, 8:30AM – 4:30PM (Lunch on your own)
Cost: \$100
Teacher: Joyce Blowers
Location: American Legion Hall, 207 Robins Rd, Hiawatha, IA

Description: Hands-on, entry level for those who have just purchased QM or had it several months and are not confident in using QM. A quilt top will be loaded to demonstrate settings and features.

Topics: The workshop will cover four topics:

1. Calibration, getting ready to use QM, setting up files, importing files, repair feature
2. Blocks and triangles, placing, and using settings for a custom look
3. Panto setup using QM PRO tier, sizing, reduce gap, optimization, stitching and advancing the quilt.
4. Intro to QM Gold with overview on a few of the features unique to Gold.

Supply List: QM tablet, stylus, mouse (recommended), charging cord, notebook. If older than December 2017, QM should be updated to PRO version (update is free)

Questions: Write down questions ahead of the class to turn in so they can be covered. Feel free to bring a QM quilt to show, or quilt project you have questions on.

Quiltmagine - Beyond the Basics

Date: Friday, December 6, 2019, 8:30AM – 4:30PM (Lunch on your own)
Cost: \$100
Teacher: Joyce Blowers
Location: American Legion Hall, 207 Robins Rd, Hiawatha, IA

Description: Hands-on. This workshop is for those who have had QM awhile and understand the basics of placing blocks and setting up pantos. Beyond the Basics will teach how to use some of the powerful customization and editing features found in QM. A quilt top will be loaded on the frame to demonstrate and stitch out using these features.

Topics: This workshop will cover four topics:

1. Customize blocks and pantos, using Pattern Sizer, Marking Tool, Block Lock, placing odd shaped patterns
2. Intro to PatternCAD and QuiltCAD to design and edit patterns
3. Design unique borders and sashing – several methods. May include some Gold features
4. Gold features you might like to use

Supply List: QM tablet, stylus, mouse (recommended), charging cord, notebook. If older than December 2017, QM should be updated to PRO version (update is free)

Questions: Write down questions ahead of the class to turn in so they can be covered. Feel free to bring a QM quilt to show, or quilt project you have questions on.

Q-bot

Date: Saturday, December 7th, 8:00 am to 3:00 pm (Lunch on your own)
Cost: \$100
Teacher: Ann Books
Location: American Legion Hall, 207 Robins Rd, Hiawatha, IA
